### Interactive Nature Recovery Talk with Louise A. Shaw for Primary School Children

We are excited to announce that Louise A. Shaw, the author from Tawny Owl Wood Children's Books, will be giving an interactive talk for primary school children on the crucial topic of Nature Recovery.

During her talk, Louise will discuss:

- The benefits we gain from nature.
- Fun and engaging activities we can do in nature.
- Ways to protect and preserve nature for future generations.

Louise will bring a host of interactive activities to engage the children, making the learning experience both fun and informative.

Don't miss this unique opportunity for your students to learn about nature recovery in an exciting and interactive way!
